AID . EQUIP . ADVOCATE .
Welcome to Christian Freedom International’s catalogue. In these pages you will find quality items with a greater purpose.

Each item is hand-crafted by Christian refugees who fled persecution.

Christian Freedom International trains and equips these Christians to earn an income. They learn valuable skills, are treated as family, and encouraged in their faith – a stark contrast from what they fled.

When you buy items from Christian Freedom International, you are helping persecuted Christians to earn a living – and enriching their lives with dignity.

“Therefore encourage one another and build one another up, just as you are doing.” - 1 Thessalonians 5:11

Where Christians are Persecuted *

Christians in Hong Kong braved China’s communists to spread the Gospel and stand for freedom.

Now China plans to conquer them. May God make them “more than conquerors.”

- “God Bless Hong Kong” over flag. Worn by Christians at protests.
- “Fight for Freedom. Stand with Hong Kong”. A global cry of solidarity.

“Where many refugee people get exploited, are underpaid and treated like second-class citizens. [CFI co-worker] always listens to us. Provides us home-cooked meals, offers flexible hours of works. And pays a fair price per t-shirt we make.

Also I want to thank everyone who buys the t-shirts as it supports our families.”

“I never knew I could sew t-shirts. And I had no work and means to make money for my kids. But [CFI co-worker] encouraged me to learn this skill and now I am able to make t-shirts and am able to earn for my children.”

DIGNIFIED WORK

Persecuted Christians often lack ways to make a living. Christian Freedom International equips Christians with skills, tools, and confidence to be successful wage-earners.

All of our items are made by – and benefit – these Christians:

Karen Christian refugees fled Burma’s brutal military. At Victory Bible Academy, they learn skills of silk-screening and traditional weaving to keep their culture alive – along with business, Bible, English, agriculture, culinary arts, and more.

Pakistani Christian urban refugee families live in Bangkok slums hoping to gain asylum. At our sewing center, they sew individual t-shirts and custom orders like face masks to prevent corona virus.

Blind, disabled, and Christian converts in Bangladesh learn sewing and candle-making to craft items to sell on streets.
